

MAGIC LED

Le sorgenti luminose LED ad alta resa cromatica e super efficienti insieme alle famose ali di gabbiano, rendono MAGIC LED una lampada a led moderna e allo stesso tempo evocativa. La sua luce LED indiretta assicura un eccezionale comfort visivo e un'equilibrata distribuzione delle luminanze.

Its super efficient LED sources with high colour rendering index together with the famous wing design, make MAGIC LED a modern and at the same time evocative LED lamp. Its indirect LED light ensures excellent visual comfort and a balanced luminance distribution.
